

The housing challenge is  
too big to tackle alone.

## We are OneVoice for Housing

A network of advocates  
who have **come together** to show Fort Collins  
the benefits of **equitable housing** opportunities  
and why it's so important for every member of our community  
to have a **safe and stable home**.

We  
Organize. Empower. Advocate.

to change housing in Fort Collins so it's  
accessible, sustainable, and equitable.
